STANDARD PROFILE COLOURS.

SECURITY.

Present an immediate visible deterrent, protecting your home against burglary and vandalism.

INSULATION.

Thermal insulation properties that reduce the effects of summer heat as well as retaining the warmth during the colder winter months.

REDUCE ENERGY COSTS.

The cost of heating and cooling your home is substantially reduced all year round making this product an ideal investment for the future.

(Reduce on energy costs and the damaging affect on the Environment)

NOISE AND LIGHT.

University tests have proven that roller shutters have a positive affect in the reduction of noise levels from outside of the home. Light and ventilation can be adjusted to create a pleasant, softly lit atmosphere.

CONTROL YOUR ENVIRONMENT.

Prevent the sunlight from fading your carpets and interior furnishings as well as acting as a long term protection for window frames.

BUSHFIRES.

Extensive testing has been carried out in conjunction with the CSIRO, resulting in a 29kw/m2 rating for AR400 Series Shutters (Technical Assessment 306) and BAL 40 (Bushfire Attack Level 40) for AE401 Extruded Shutters for the protection against radiant heat from bushfires.

(Ozroll Information Bulletins 31,32 & 66)

PRIVACY.

Offers you privacy during both day and night. You control the extent by simply adjusting the shutter to suit your needs.

When fully open the shutter curtain is completely out of sight leaving you unrestricted views through your window.

OPERATION.

Operated either electronically, manually or with the unique E-Series Drive System.

Importantly your shutters are operated from inside your home to further enhance the security and convenience aspect.

E-SERIES DRIVE SYSTEM.

An affordable motorised control system that is battery operated and therefore not reliant on mains power.

With operation at the touch of a button this unique product offers you a competitive alternative to current control options whilst allowing for a simple, clean and cost effective installation.

Also available with solar charging.

Please see our E-Series brochure for more details.
